Copyright © 2026 Willie Stimage Media. All Rights Reserved.

All photographs, videos, digital images, graphics, promotional materials, logos, watermarked images, edited content, and other original creative works produced or owned by Willie Stimage Media ("WS Media") are protected by applicable copyright laws.

1. PROHIBITED USE

Without prior written permission or an applicable license from WS Media, no person, business, organization, or third party may:

- Download, copy, reproduce, distribute, sell, or publish protected photographs or videos.
- Remove, crop out, alter, or conceal watermarks, copyright notices, logos, or branding.
- Repost, share, or upload protected content to social media, websites, or other platforms without authorization.
- Use WS Media content for advertising, commercial purposes, promotional campaigns, or resale without an approved license.
- Edit, manipulate, or claim ownership of WS Media's original creative work.
- Use protected content in a manner that violates the agreed terms of purchase, licensing, or service.

Viewing, purchasing, or receiving access to an image does not automatically transfer copyright ownership or grant unlimited usage rights.

2. CONSEQUENCES OF COPYRIGHT INFRINGEMENT

Unauthorized use of copyrighted material may result in the following actions, as permitted by applicable law:

A. Cease-and-Desist Notice: The infringing party may be required to immediately stop using, sharing, displaying, or distributing the protected material.

B. Removal Requests: WS Media may request removal of unauthorized content from websites, social media platforms, online stores, and other distribution channels.

C. Financial Damages: WS Media may seek compensation for provable financial losses, attributable profits, and other damages available under applicable law.

D. Statutory Copyright Damages: Under U.S. copyright law, a court may award statutory damages generally ranging from $750 to $30,000 per infringed work, or up to $150,000 per work for willful infringement, where the applicable legal requirements are met. Eligibility for

statutory damages is subject to copyright registration and other legal requirements.

E. Legal Fees and Court Orders: Where authorized by law, WS Media may seek attorney's fees, court costs, injunctions, and other available legal remedies.

F. Further Legal Action: Continued or intentional infringement may lead to civil litigation and, in qualifying cases, criminal enforcement under applicable law.

3. WATERMARK AND BRANDING PROTECTION

WS Media watermarks, logos, and copyright notices are used to identify and protect original creative work. Removing or altering these marks without authorization is prohibited when it infringes applicable copyright or other legal rights.

4. PERMISSION AND LICENSING

Individuals, teams, schools, businesses, and organizations seeking to reproduce, publish, distribute, or commercially use WS Media content must obtain permission or an appropriate license in advance.

Written authorization must specify the permitted use, duration, distribution method, and any applicable fees or restrictions.

5. RESERVATION OF RIGHTS

WS Media reserves all rights available under applicable copyright law and does not waive any legal remedy by allowing an individual to view or purchase its work.

Unauthorized use is not permitted. Violations may result in enforcement action and financial liability as authorized by law.
